

Staying Covid-19 Secure in 2021

Behavioural skills are best learnt with others and is the most enjoyable way to learn. We want to give you the peace of mind that safe classroom training can be achieved, here is our current approach.

Key classroom controls:

Routes into and out of the classroom will be a one way where possible

2 metre seating for social distancing

Delegates to bring their own stationery including pens and paper

NO communal refreshments or buffet lunches unless the venue is able to provide catering with Covid Guidelines

We will create 'learning bubbles' within the classroom for group activities

Frequent hand washing and the use of hand sanitisers will be required

Windows to be opened as much as possible for fresh air

Workshop materials will be sent electronically prior to a workshop

Our trainers will:

Work with your companies' H&S teams to ensure we fit with your recommendations

Not be expected to wear masks and/or gloves whilst delivering a workshop

Temperature check 24 hours before commencement of the workshop

Inform the client if any symptoms occur within 7 days post-workshop

Chilli will work with the client to ensure each classroom meets the guidelines

Chilli will embrace the Covid 19 secure principles and follow government advice

Chilli will update and support clients as required
